Request Description

Short Description :

Re: Freedom of Information Act Request: Proposed Rules Dear Sir or Madam: The Southern Environmental Law Center (SELC) requests all documents, including correspondences, relating to all communications between the U.S. Environmental Protection Agency Headquarters office and Attorney Generals from the 50 states concerning the proposed suspension rule (83 Fed Reg. 5200, Feb. 6, 2018), proposed replacement rule (Step 1)(82 Fed. Reg. 12532, Mar. 6, 2017), and the anticipated replacement rule (Step 2). For the purposes of this request, the term "documents" includes all written, printed, recorded or electronic: materials, communications, correspondence, memoranda, notations, copies, diagrams, charts, maps, photographs, tables, spreadsheets, formulas, directives, observations, impressions, contracts, letters, messages and mail in the possession or control of the Environmental Protection Agency. FOIA directs a responding agency to make a "determination" on any request within twenty (20) working days of receipt. See 5 U.S.C. § 552(a)(6)(A)(i). FOIA also requires the release of all reasonably segregable portions of a document that are themselves not exempt. 5 U.S.C. § 552(b). Should our requests be denied, we request that you inform us of the grounds for denial and the specific administrative appeal rights which are available. See 5 U.S.C. § 552(a)(6)(A)(i).
